

## **WAIVER REQUEST**

Per the procedures set forth in the Commission's June 14, 2017 *Public Notice* (DA 17-584), Oklahoma Community Television, LLC ("OCT") hereby requests a waiver of the LPTV/TV Translator Displacement Freeze for the reasons set forth below.

OCT is the licensee of K44IW-D, Hollis, Oklahoma (FIN 168321) ("K44IW-D"). OCT has been notified that T-Mobile will be commencing operations imminently in the 600 MHz band which will result in the displacement of K44IW-D prior to the Special Displacement Window for LPTV/TV translator stations. The letter from T-Mobile is included with this application.

K44IW-D is licensed to operate on channel 44. This waiver is requested to permit K44IW-D to file an application for a construction permit for displacement on channel 24, and to file a request for Special Temporary Authority to operate on channel 24 as proposed in the displacement application.

A grant of this waiver request will serve the public interest by permitting K44IW-D to continue providing programming to the public with as little disruption as possible to viewers.
