

## **WAIVER REQUEST**

Per the procedures set forth in the Commission's June 14, 2017 *Public Notice* (DA 17-584), Oklahoma Community Television, LLC ("OCT") hereby requests a waiver of the LPTV/TV Translator Displacement Freeze for the reasons set forth below.

OCT is the licensee of K43KS-D, Altus, Oklahoma (FIN 168328) ("K43KS-D"). OCT has been notified that T-Mobile will be commencing operations imminently in the 600 MHz band which will result in the displacement of K43KS-D prior to the Special Displacement Window for LPTV/TV translator stations. The letter from T-Mobile is included with this application.

K43KS-D is licensed to operate on channel 43. This waiver is requested to permit K43KS-D to file an application for a construction permit for displacement on channel 29, and to file a request for Special Temporary Authority to operate on channel 29 as proposed in the displacement application.

A grant of this waiver request will serve the public interest by permitting K43KS-D to continue providing programming to the public with as little disruption as possible to viewers.
