Notice of Reduced Power Operation

On behalf of ZGS Broadcasting of Ft. Myers-Naples, Inc., and pursuant to FCC Rule § 73.1560(d), we hereby notify you that WWDT-CD in Naples, Florida, is operating at reduced power due to sustained damage of the antenna bays during Hurricane Irma. Specifically, it appears that the antenna bays were hit by a projectile during the hurricane requiring replacement of the antenna. An antenna manufacturer has been contacted and the applicant hopes to have installation completed in an expeditious and timely fashion.
