Request for Special Temporary Authority to Remain Silent

Station WSVI(TV), Christiansted, U.S. Virgin Islands (Facility ID No. 2370) hereby requests special temporary authority to remain silent. The station was forced off the air on September 20, 2017, after sustaining major damage to its transmission system from Hurricane Maria. The station is diligently assessing its options to determine how it may best resume broadcast operations, and will keep the FCC advised.
