

Tinga Tinga Tales

Production: Classic Media/Tiger Aspect: 3 to 6 years of age

Running Time: 30mins

Rights: Worldwide TV, Video and Licensing & Merchandising

You may think you know the reason why Elephant has a long trunk, or why Tortoise has a broken shell...but as brand new preschool series Tinga Tinga Tales® is soon to reveal – the reason for each is a whole other story!...

Inspired by traditional African animal folktales and the art of Tanzania, Tinga Tinga Tales opens up a fantastical world of colour, characters and transformation.

Produced on location in Kenya by Tiger Aspect Productions in conjunction with Homeboyz Entertainment, the show draws upon the inspiring talent of local artists and musicians and is expertly computer-animated using beautiful, hand-painted imagery.

Each film tells the fantastical story of how a particular animal came to be – Why Crocodile has a bumpy back or Zebra has stripes – but ‘The Big Six’ form the heart of the animal community in Tinga Tinga. They are Monkey, Tortoise, Elephant, Hippo, Tickbird and Lion. There is nothing more important than community and friendship in Tinga. There are good animals and bad animals, grumpy animals and patient animals, water animals and land animals, tall animals, short animals, loud animals and shy animals – but they all have their role to play. Big personalities for big characters, running jokes, catchphrases and lots of music.
