Attention: Jose Rodriguez

Dear Mr. Rodriguez:

Reference is made to that certain Channel Sharing Agreement between WNET ("WNET") and WMBQ-CA Station, LLC ("WMBQ") dated September 29, 2017 (the "CSA"). This amendment (the "Amendment") amends and supplements the CSA, effective as of the Effective Date, as set forth below. Capitalized terms used but not defined in this Amendment will have the meanings set forth in the CSA.

**WHEREAS**, WNET and WMBQ mutually desire to amend the CSA as provided herein.

**NOW, THEREFORE**, in consideration of the foregoing, the covenants contained herein, and other good and valuable consideration, the receipt, sufficiency, and adequacy of which are hereby acknowledged, WNET and WMBQ, intending to be legally bound, agree as follows:

- A. In Section 18(a), the second sentence shall be amended and restated in its entirety as follows:

In the event the license of either Host or Guest Station is revoked, relinquished, withdrawn, rescinded, canceled or not renewed, and such action shall become final and nonreviewable, the shared spectrum rights allocated to such station (the "Loss Station") under this Agreement will revert to the other station, subject to FCC approval if necessary, and the non-Loss Station may file an application with the FCC to change its authorization for use of the Shared Channel to non-shared status.

- B. The following sentence shall be appended to the end of Section 18(b):

In the event this agreement expires by its terms or is terminated pursuant to this Section 18(b), Host shall retain the exclusive right to use the Shared Channel, and Guest shall have no further right to use the Shared Channel.
