

Silent STA Request

WWKH-CD went off-air on October 25, 2017, due to a loss of its feed station. OTA Broadcasting (PIT), LLC is in the process of negotiating an agreement that will result in WWKH-CD returning to operation in the near future. It is in the public interest to grant this request for special temporary authority as it will permit WWKH-CD to return to operation for the benefit of the residents of Uniontown, Pennsylvania.
