

## **INTERFERENCE AGREEMENT**

This **Interference Agreement** ("Agreement") is entered into this 27<sup>th</sup> day of October 2017, by and between **Nexstar Broadcasting, Inc.** ("Nexstar") and **KDTV LICENSE PARTNERSHIP, G.P.** ("KDTV").

WHEREAS, Nexstar is the licensee of full-power digital television broadcast station KSEE(TV) (Facility ID 35594), pre-auction channel 38 licensed to Fresno, California in the Fresno-Visalia, CA Designated Market Area ("DMA"), and

WHEREAS, KDTV is the licensee of full-power digital television broadcast station KDTV-DT (Facility ID 33778), pre-auction channel 51 licensed to San Francisco, California in the San Francisco-Oakland-San Jose, CA Designated Market Area ("DMA"), and

WHEREAS, KDTV-DT has been assigned to post-auction channel 20, and

WHEREAS, on September 14, 2017, Nexstar filed a digital construction permit application with the Federal Communications Commission ("FCC") to modify KSEE(TV)'s assigned post-auction channel from 16 to channel 20, specifying operation at 221 kW ERP from the transmit site associated with the FCC Antenna Structure Registration 1015709, see FCC File No. 0000029688 (excluding any future amendments, the "KSEE Application"), and

WHEREAS, Nexstar has represented to KDTV that operation of the facilities specified in the KSEE Application is predicted to cause no more than approximately 1.38% population interference to KDTV-DT's post-repack digital Construction Permit facility, as authorized in FCC File No. 0000025150, as set out in the Attachment A hereto, and

WHEREAS, in reliance upon Nexstar's representations, KDTV herein and its representations to the FCC, desires to support KSEE(TV)'s application for a post-auction channel 20 digital facility, and KDTV desires to support Nexstar's efforts to improve the signal coverage of KSEE(TV) through Nexstar's filing of one or more construction permit applications subsequent to the date of this Agreement.

NOW, THEREFORE, in consideration of the foregoing and of the mutual covenants and agreement set forth herein, the Parties agree as follows:

1. KDTV hereby agrees to accept up to 1.38% population interference to KDTV-DT's post-repack digital Construction Permit facility, as authorized in FCC File No. 0000025150 from KSEE(TV) operating with the facilities, and within the parameters, specified in the KSEE Application, including as they may be further amended or modified, *provided that* such further amendment or modification does not increase interference to the KDTV signal above 1.38% population interference, or otherwise increase the effective radiated power transmitted by KSEE(TV) in the direction of the KDTV-DT transmitter site beyond that proposed in the KSEE Application. Any increase in interference from KSEE(TV) to KDTV-DT arising solely from a facilities increase by KDTV-DT is excluded from this limitation and, upon licensing of such a

KDTV-DT facility, will become the new KSEE(TV) to KDTV-DT interference percentage limit under this Agreement.

2. In return, Nexstar agrees to accept up to 1.38% population interference to KSEE(TV)'s digital signal generated by the operation of KDTV-DT as currently proposed or as it may be modified from time to time in KDTV's sole discretion.

3. Each signatory to this Agreement hereby certifies, under penalty of perjury, that no other consideration has been paid or promised to that Party or to any of its principals by the other Party or any of the other Party's principals in return for negotiating, entering into, and/or implementing its obligations under this Agreement. The Parties understand that this certification by each of them will be filed with the FCC and is thus deemed a representation made directly to the FCC. Each Party will bear its own legal, engineering, and other expenses incurred in negotiating, entering into, and implementing this Agreement.

4. This Agreement may be executed in one or more counterparts and such counterparts may be exchanged electronically by fax or by emailed pdf file, and each such counterpart will have the full force and effect of an original but all of which will be deemed one and the same document.

5. To the extent not governed by federal law, this Agreement will be governed by the laws of the State of Delaware. With respect to any suit, action or proceedings relating to or arising out of this Agreement ("Proceedings") not brought at the FCC, each party irrevocably: (i) submits to the exclusive jurisdiction of the courts of the State of Delaware and the United States District Court for the District of Delaware, located in Wilmington, and (ii) waives any objection which it may have at any time to the laying of venue of any Proceedings brought in any such court, waives any claim that such Proceedings have been brought in an inconvenient forum and further waives the right to object, with respect to such Proceedings, that such court does not have any jurisdiction over such party.

6. ALL ISSUES, MATTERS, AND DISPUTES BETWEEN THE PARTIES CONCERNING THIS AGREEMENT SHALL BE TRIED BY A JUDGE IN A NON-JURY TRIAL. In the event that any litigation is commenced to interpret or enforce this Agreement, the prevailing party in such litigation will be entitled to ask for and receive an award of reasonable attorneys' fees and expenses at trial and on appeal. The Parties agree to attempt in good faith to resolve disputes through alternative dispute resolution before resorting to litigation.

7. This Agreement represents the entire understanding of the Parties with respect to the subject matter hereof and may be altered or amended only in writing signed by the Party against which enforcement is sought. This Agreement will be binding upon and inure to the benefit of the heirs, successors, and assigns of each Party and will be binding on any future licensee of any of the stations referred to in this Agreement.

8. Any notices hereunder will be deemed effective if given by first class or more rapid class of United States mail, postage prepaid, and evidenced by a postal delivery receipt, addressed as follows. Notices will be effective on the first attempted date of delivery on a business day, not including any federal or state government holiday:
