

### Waiver Request

Redwood Empire Public Television, Inc. (“Redwood”), licensee of TV translator facility K44JF-D, Crescent City, California, hereby requests waiver of the Displacement Freeze (*see Freeze on the Filing of Applications for Digital Replacement Translator Stations and Displacement Applications, Public Notice, 29 FCC Rcd 6063 (MB 2014)*). The waiver is requested in order to file an application for a new channel for this translator in view of the 120-day activation notification from a successful Incentive Forward Auction bidder in the area and to request Special Temporary Authority (“STA”) to operate on that channel on a temporary basis in accordance with the procedures set forth in the Public Notice titled *Incentive Auction Task Force And Media Bureau Set Forth Tools Available To LPTV/Translator Stations Displaced Prior to the Special Displacement Window* (DA 17-584, June 14, 2017). A copy of the 120-day activation notification is included with this application. Redwood is filing an application for a new channel that demonstrates compliance with the processing and interference standards and a companion STA request.
