INTERFERENCE STATEMENT

On November 2, 2017, Connecticut Public Broadcasting, Inc. filed an application in the second filing window to modify its construction permit for the post-incentive auction transition facilities for WEDW(TV), Bridgeport, CT (Fac. ID 13594). *See* FCC File No. 0000034869 (the “WEDW Second Window Application”). Also on November 2, 2017, Locuspoint WDVb Licensee, LLC (“LPN”) filed an application in the second filing window to modify its construction permit for the post-incentive auction transition facilities for WDVb-CD, Edison, NJ (Fac. ID 168834). *See* FCC File No. 0000034859 (the “WDVB Second Window Application”). To the extent the WDVb Second Window Application is deemed to create impermissible interference to the WEDW Second Window Application, Connecticut Public Broadcasting, Inc. agrees to accept the interference caused by the WDVb Second Window Application. The WEDW Second Window Application does not cause any impermissible interference to the WDVb-CD Second Window Application, so no action by LPN is required.
