REQUEST FOR WAIVER OF
LPTV DISPLACEMENT FILING FREEZE

Better Life Television, Inc. hereby requests a waiver of the LPTV Displacement Filing Freeze for the purpose of filing a displacement application for its LPTV station K47HT, Roseburg, Oregon (Fac ID #5007). This request is submitted pursuant to the Commission's instructions in *Incentive Auction Task Force and Media Bureau Set Forth Tools Available to LPTV/Translator Stations Displaced Prior to the Special Displacement Window,* DA 17-854, released June 14, 2017.

K47HT presently is licensed to operate on Channel 47. Better Life has received notification from T-Mobile that it planned to initiate 600 MHz-band wireless service in the area where K49IG-D broadcasts by October 31, 2017, and has indicated that K47HT was required to cease operating on Channel 47 by that date. A copy of the letter from T-Mobile is an attachment with this application. In fact, the station ceased operating on Channel 47 and went silent as of October 31, 2017.

The Commission does not anticipate opening the LPTV Special Displacement Filing Window until early 2018. Consequently, Better Life is eligible to request this waiver. Better Life proposes to move K47HT to Channel 14 .
