

**Antenna Technical Data
Minor Modification of KVCT
Channel 11 at Victoria, TX
November 2017**

This application proposes continued use of the licensed omnidirectional KVCT antenna system, which is an SWR model "SWDDPD 2 2 2/11" antenna. Pattern plots and/or tabulations were not readily available at the time of filing the instant application, but can be provided as part of an amendment at a later date if so required, once they have been located in the station's technical files.
