Re: Application of WatchTV, Inc.
LMS File No. 0000024542
KOXO-CD, Facility ID 71080, Portland, OR

Attention: Video Division, Media Bureau

Dear Ms. Dortch:

On behalf of WatchTV, Inc. ("WatchTV"), by letter of August 14, 2017, I requested that the Commission hold the above-referenced application for legal special temporary authority ("STA") for Class A television station KOXO-CD in abeyance until 30 days after release of the Report and Order in GN Docket No. 16-142.

The application requests a service rule waiver, pursuant to Section 73.3700(f) of the Commission's Rules, to allow KOXO-CD to operate with flexible technology in lieu of receiving reimbursement of the station's costs of moving to a new channel under Section 6403(b)(1)(B)(i) of the Spectrum Act.

After reviewing the Report and Order and Further Notice of Proposed Rulemaking in GN Docket No. 16-142, *Authorizing Permissive Use of the "Next Generation" Broadcast Television Standard*, FCC 17-158 (rel. Nov. 20, 2017), WatchTV has decided to pursue its request for

reimbursement of the cost of the repacking channel change ordered by the Commission for KOXO-CD.

Accordingly, it is hereby requested that LMS File No. 0000024542 be dismissed.

WatchTV requests that the Commission continue to process its reimbursement request, LMS File No. 0000027276 (Form 399).

Very truly yours,

Peter Tannenwald
