**Request for Extension of
Special Temporary Authority
To Operate at Reduced Power**

On behalf of Rapid Broadcasting Company (“RBC”), we hereby request an extension of the Special Temporary Authority (“STA”) granted by the Commission on June 29, 2017, FCC File No. 0000024930, to operate KNBN, Rapid City, South Dakota, at reduced power. The current STA expires on December 29, 2017.

A new transmitter has been ordered, but not yet received. Accordingly, KNBN hereby requests an extension of STA to operate at temporary reduced power of 8.9 kW ERP while the transmitter is being built and installed.

Grant of this request will serve the public interest by allowing KNBN to remain on the air and continue serving its viewers until the new transmitter has been installed.
