Attributable Interests/Multiple Ownership Compliance Exhibit

The licensee of W41DT-D is Virginia Broadcasting, LLC, a limited liability company owned by a corporation and a charitable remainder trust, both of which are ultimately controlled by Edith B. Waterman and Ellen K. Harrison, co-trustees, after the passing of Bernard E. Waterman in November of 2017. Virginia Broadcasting, LLC, is also the licensee of full power TV Station WVIR-TV, Facility ID 70309, and TV Translator W30CT-D, Facility ID 168767. Both W41DT-D and W30CT-D rebroadcast NBC Affiliate WVIR-TV.

Ms. Waterman and Ms. Harrison also control the licensee of WBBH-TV, Facility ID 71085, Ft. Myers, FL, through a trust and intermediate corporation. The licensee of WBBH-TV also has an attributable interest in WZVN-TV, Facility ID 19183, Naples, FL, through a pre-1996 grandfathered time brokerage agreement. Neither of these two stations is located within or geographically near the Charlottesville Designated Market Area (DMA).

Thus while Ms. Waterman and Ms. Harrison have attributable interests in three full power TV broadcast stations, WVIR-TV and the two TV translators that rebroadcast WVIR-TV are the only broadcast facilities in or adjacent to the Charlottesville DMA in which Virginia Broadcasting, LLC, or Ms. Waterman and Ms. Harrison have any ownership interest.
