Dear Hossein:

I am writing to inform you that the above-referenced station has resumed operations as of January 3, 2018. The station went off the air on March 14, 2017 due to damage from blizzard and has filed a request to remain silent on March 23, 2017, FCC file number 0000022348. However, for reasons unclear to the licensee, this request for silent STA is still pending in the LMS and as a result, the licensee is unable to file a resumption notice in the LMS.

Please accept this email as the licensee's formal resumption notice. If additional filing is required, please advise by replying to this email. Thank you.

Sincerely,

Christine Meng
