

MBTV Texas Valley LLC  
KMBH(DT), Harlingen, Texas  
Facility ID No. 56079  
Exhibit 1

**Notice of Suspension of Operation**

MBTV Texas Valley LLC ("MBTV"), the licensee of KMBH(DT), Harlingen, Texas, hereby notifies the Commission that KMBH was forced to suspend operation on January 25, 2018. The local electric utility company is currently constructing a new substation less than one mile from the KMBH transmitter site. For safety reasons in connection with that construction, the utility has periodically reduced power for temporary periods to the electrical line serving the KMBH transmitter site. On January 25, 2018, the utility's restoration of full voltage to the line after one such temporary reduction caused a surge that damaged the KMBH transmitter and required the station to discontinue operation. MBTV is currently working to resolve the issue and return KMBH to the air.
