From: Larry E. Morton
Subject: KSJF-CD City of License Change

In 2016, we filed for a City of License change for KSJF-CD from Poteau, OK to Fort Smith, AR (See City of License Change.pdf). This was subsequently approved (see KSJF City of License.PDF), but the FCC databases have not picked up this change. This is a request to change the City of License to Fort Smith in the FCC databases.

Thank you.
