

Cancellation of Digital Companion Channel  
K03HY-D  
February 9, 2018

K03HY-D is a digital companion channel to KQRM-LP channel 2. The applicant will file to flash cut to digital on KQRM-LP's channel 2. Therefore, digital companion K03HY-D is not needed. This application is only to delete the digital companion channel K03HY-D and not the main channel KQRM. The applicant has confirmed with FCC staff that deleting K03HY-D will not affect KQRM-LP.
