

Statement of Common Ownership

Commonwealth Public Broadcasting (“CPB”) is the licensee of television stations WNVT(TV), Goldvein, VA (Fac. ID No. 10019) and WCVE-TV, Richmond, VA (Fac. ID No. 9987). In the Incentive Auction Closing and Channel Reassignment Public Notice, DA 17-314, the FCC announced that it had accepted CPB’s “go off-air” bid for WNVT and that WNVT had expressed an intent to enter into a post-auction channel sharing agreement.

This application seeks a construction permit for WNVT to channel share with WCVE-TV. Because WNVT and WCVE-TV are both licensed to CPB, no channel sharing agreement is required.
