

**Equal Employment Opportunity
And Affirmative Action**

Guidelines

For the

MINNESOTA MERIT SYSTEM'S

County/multi-county Human Services Agencies

Adopted By

Koochiching County Public Health & Human Services

2015 – 2017

Updated and Revised August 2015

I. Introduction

The Minnesota Merit System's (MMS) Affirmative Action and Equal Employment Opportunity Policies are administered by the Minnesota Department of Human Services (DHS) Office for Equity, Performance and Development (OEPD) Equal Opportunity and Access division.

A. Purpose

The guidelines continues to request each MMS county/multi-county human services agency to adopt, revise, and/or develop equal opportunity and affirmative action guidelines to ensure equal employment opportunity and affirmative action in MMS county/multi-county human services agency workforces.

Additionally, the purpose of these guidelines continue to be to establish minimum affirmative action and equal employment opportunity standards, and provide consistent framework with regard to equal employment opportunity and affirmative action in MMS county/multi-county human services agencies.

1. Policy

It is the policy of the MMS that county/multi-county human services agencies conduct all employment practices without regard to race, color, political affiliation, creed, religion, national origin, disability, age, marital status, status with regard to public assistance, sex, membership or activity in a local commission, or sexual orientation. Equal employment opportunity under this policy includes, but is not limited to the following: recruitment, examination, appointment, tenure, compensation, classifications, promotion, or other activities in accordance with applicable federal, state, and local laws and regulations.

A program of affirmative action will be maintained to eliminate barriers to equal employment opportunity and to encourage the employment and advancement of qualified females and minorities when these groups are underrepresented in a county/multi-county human service agency's workforces in any job category. Agencies are required to provide equal employment opportunities to, and encouraged to actively recruit, individuals with disabilities.

2. Responsibilities

MMS county/multi-county human services agency directors have overall responsibility for implementing the MMS equal employment opportunity and affirmative action guidelines throughout that agency. Including establishing

specific internal procedures that minimally meet the standards provided by the MMS guidelines.

3. Role of DHS

The DHS OEPD Equal Opportunity and Access division provides consultation, technical assistance, recruitment, training, and goal-setting review and monitoring of MMS human service agencies to ensure affirmative action and equal employment opportunity in these agencies.

II. Scope of Guidelines

All MMS county/multi-county human services agencies and its employees must comply with equal employment opportunity and affirmative action guidelines. Any Minnesota county/multi-county may choose to create a county/multi-countywide affirmative action plan and have it approved by the Minnesota Department of Human Rights, which will issue a certificate of compliance for approved plans. Alternatively, a county/multi-county may choose to adopt the MMS equal employment opportunity and affirmative action guidelines in this bulletin for its human services agency.

Minnesota Rules, part 9575.0090, subpart 2a, require that each MMS human services agency have an affirmative action plan, which must contain the following:

- a policy defining and prohibiting discriminatory harassment, including sexual harassment;
- an internal discrimination complaint policy and procedure that includes notification of DHS OEPD Equal Opportunity and Access division of complaints that are brought, and their resolution;
- provision for appointment of a person to serve as liaison between the MMS county/multi-county human services agency and DHS OEPD Equal Opportunity and Access division, and to have responsibility for implementation of the guidelines within the agency;
- provision for notification of DHS OEPD Equal Opportunity and Access division of periodic hiring goals established by the county/multi-county human services agency; and
- provision for compliance with the Americans with Disabilities Act (ADA), Title I, which prohibits discrimination against disabled employees or job applicants.

Minnesota state law does not require that Minnesota counties and political subdivisions have an affirmative action plan certified by the Minnesota Department of Human Rights in order to receive any state funds or engage in contracting with the state. Nevertheless, this does not exempt MMS county/multi-county human services agencies from the requirement of the MMS rules, as indicated above.

III. MMS County/Multi-County Human Services Agency Action Required

In order to comply with Minnesota Merit System Rules, part 9575.0090, subpart 2a, your agency should choose one of the two courses of action. Your agency may:

- A. Adopt the proffered MMS system equal employment opportunity and affirmative action guidelines as your agency's equal opportunity and affirmative action plan and implement the guidelines within your agency, including developing hiring goals where workforce disparities exist and submit a letter indicating the adoption of those guidelines to DHS OEPD Equal Opportunity and Access division;

OR

- B. Adopt an equal opportunity and affirmative action plan that is certified by the Minnesota Department of Human Rights and submit a copy of the certificate of compliance to DHS OEPD Equal Opportunity and Access division. If your county/multi-county already has a certified plan, your agency's adoption of that plan meets requirements under MMS rules.

IV. Policies and Requirements

A. Prohibition of Discriminatory Treatment

Statement: MMS county/multi-county human services agencies shall provide a work environment free of any form of discriminatory treatment, including harassment.

Authority:

- United States Civil Rights Act of 1964, Title VII

- United States Age Discrimination in Employment Act of 1967
- United State Rehabilitation Act of 1973, Section 504

- Americans with Disabilities Act Amendments Act of 2008
- United States Civil Rights Act of 1991
- Genetic Information Nondiscrimination Act of 2008, Title II
- Minnesota Human Rights Act

B. Discrimination Complaint Handling

Purpose: To provide an internal option to employees who believes they were discriminated against because of race, color, political affiliation, creed, religion, national origin, disability, age, marital status, status with regard to public assistance, sex, membership or activity in a local commission, or sexual orientation. The disability indicator includes qualified individuals with a disability who are either job applicants or employees.

Statement: While employees of MMS county/multi-county human services agencies have the right to file discrimination complaints with the Minnesota Department of Human Rights or other enforcement agencies at any time, complainants are urged to seek out internal administrative remedies first.

Anyone bringing an employment discrimination complaint shall do so without fear of reprisal, coercion, or intimidation.

Discrimination complaints and relevant investigative data and findings will all be handled in accordance with provisions of the Minnesota Data Practices Act, and the ADA, Title I.

The discrimination complaint handling process will minimally include:

1. A method to resolve both formal and informal complaints,
2. Notification of DHS OEPD Equal Opportunity and Access division and
3. A timely response to all complaints.

Authority:

- United States Civil Rights Act of 1964, Title VII
- United States Equal Pay Act of 1963
- United States Age Discrimination in Employment Act of 1967
- United States Rehabilitation Act of 1973, Section 504
- Americans with Disabilities Act of 1990, Title I
- Americans with Disabilities Act Amendments Act of 2008
- United States Civil Rights Act of 1991
- The Minnesota Human Rights Act
- The Minnesota Data Practices Act
- Genetic Information Nondiscrimination Act of 2008, Title II

C. Prohibition of Discrimination against Individuals with Disabilities

Purpose: To provide work environments free of unlawful discrimination against applicants and employees with disabilities. Together the Americans with Disabilities Act (ADA) and the Americans with Disabilities Act Amendments Act of 2008 (ADAAA) extend federal civil rights protection to people who are considered disabled.

Statement: MMS county/multi-county human services agencies shall provide a work environment free of any form of discrimination. This includes removing barriers to application of employment and ensuring that qualified employees with disabilities are not discriminated against.

The most significant provisions of the ADA with regard to MMS county/multi-county human services agencies are included in Title I, which prohibit employers from discriminating against qualified individuals with disabilities in matters of employment, including the application and hiring process. The provisions in Title I of the ADA are broader in scope than, but similar to, the Minnesota Human Rights Act (Minnesota Statutes, chapter 363A), and to Section 504 of the federal Rehabilitation Act of 1973 and Volume 29 of the United States Code, section 794.

ADA regulations make clear that employers, including all state and local governments, must comply with the employment provisions of Title I. The ADA prohibits discrimination against an otherwise qualified individual with a disability with regard to the following:

- Job application procedures, including recruitment and advertising;
- Hiring, firing, and advancement; and
- Compensation, training, and other terms, conditions, and privileges of employment such as tenure, layoff, leave, and employee benefits.

Reasonable Accommodations: If a person is qualified to perform the essential functions of a job except for limitations caused by a disability, the employer must consider whether or not that person could perform those functions with a reasonable accommodation.

An employer is required to accommodate a known disability of a qualified applicant or employee unless it would impose an undue hardship. Accommodations are determined by the specifics of the situation and provided on an individual basis.

Interactive Process: The action to accommodate is generally triggered by a request from an applicant or employee with a disability. However, in certain instances, an employer has an obligation to make inquiries about an individual's need for an accommodation. For example, when an employer observes that an applicant or employee has a disability that may prevent him or her from understanding the need to request an accommodation, the employer should initiate discussion about the possible need for accommodation. If the individual with a disability cannot suggest an appropriate accommodation in such circumstances, the employer should work with the individual to identify an effective accommodation.

Undue Hardship: Deciding whether a request for a reasonable accommodation creates an undue hardship is determined on a case by case basis. If it is determined that a specific proposed or requested accommodation would impose an undue hardship on an employer, the employer is still obligated to identify another

accommodation that would not impose a hardship. As long as an accommodation provides the person with the disability an equal opportunity to perform the essential function of the job, and enjoy the benefits and privileges of employment that other employees have access to, the accommodation need not be the best accommodation available, nor must it be the accommodation desired by the individual with a disability.

Threat to health and safety of others: If an employer believes that an employee or applicant with a disability would constitute a direct threat to the health or safety of self and others, and that a reasonable accommodation to the person's disability would not eliminate the threat, the employer may determine the individual is not or is no longer qualified to perform the duties of their job. Such a determination must be based on objective facts, and must be specific to the situation and the individual, and cannot be based on speculation or the remote possibility of a threat or risk to the safety of others.

For a more detailed explanation of your obligations and responsibilities under the ADA, contact the United States Equal Employment Opportunity Commission (EEOC), or the United States Department of Justice's Civil Rights Division. Numerous publications explaining the ADA and its requirements are available from these agencies, and are online at their websites. You may also request technical assistance from the Minnesota DHS OEPD Equal Opportunity and Access division, and from the Minnesota Department of Human Rights. Contact information for all of these agencies is included in Appendix III of these guidelines.

- Americans with Disabilities Act Amendments Act of 2008
- Minnesota Human Rights Act

D. Prohibition of Sexual Harassment

Purpose: To establish a means for maintaining a work environment free of sexual harassment in MMS county/multi-county human services agencies.

Statement: MMS county/multi-county human services agencies shall provide a work environment free of any form of sexual harassment. Sexual harassment is a form of sex discrimination and is covered under the same statutes as any kind of discriminatory treatment.

It is unlawful to harass a person (an applicant or employee) because of that person's sex. Sexual harassment can include unwelcome sexual advances, requests for sexual favors, and other verbal or physical harassment of a sexual nature.

Sexual harassment can also include offensive remarks about a person's sex. For example, it is illegal to harass a woman by making offensive comments about women in general. The harasser can be either a woman or a man, as can the victim. Same-sex sexual harassment is prohibited as in opposite-sex harassment.

Although the law does not prohibit simple teasing, offhand comments, or isolated incidents that are not very serious, harassment is illegal when it is so frequent or severe that it creates a hostile or offensive work environment or when it results in an adverse employment decision (such as the victim being fired or demoted).

The harasser can be the victim's supervisor in another area, a co-worker, or someone who is not an employee of the employer, such as a client or customer.

Authority:

- Civil Rights Act of 1964, Title VII
- Minnesota Human Rights Act

E. Affirmative Action in Appointment and Selection Decisions

Purpose: To ensure that affirmative action hiring goals are considered when hiring decisions are made within job groups where a workforce disparity exists.

Statement: MMS county/multi-county human services agencies shall act affirmatively to recruit and hire a diverse workforce. When a vacancy occurs in a job group where a disparity exists, agencies shall utilize affirmative recruitment and hiring strategies to attempt to meet the workforce disparity. When fewer than three protected group candidates are on the eligible list, the MMS will use expanded certification to bring the number of eligible candidates certified to a total of three candidates from the protected group in which a disparity exists. The candidates certified shall be determined by their examination scores in accordance with MMS rules.

2. Accountability

To the county/multi-county agency's director, management, and supervisors.

G. MMS Affirmative Action Guidelines

1. Dissemination of information

a. Internal dissemination of information

The ADA requires employers to post a notice stating the provisions of the ADA that apply to job applicants and employees. The notice must be posted in a place accessible to people in wheelchairs, and it must be made available in alternative formats for individuals with a vision loss or reading disabilities. This applies to MMS county/multi-county human services agencies.

In addition, MMS county/multi-county human services agencies must post on their official bulletin boards, accessible to all applicants, employees, and the public, a copy of the MMS EEO and AA guidelines, along with the agency's most recent hiring goals, timetables proposed for meeting those goals, and the action steps to be taken to meet them.

Annually, the MMS county/multi-county human services agency's director will transmit a letter or memo to agency staff affirming the organization's commitment to affirmative action and equal opportunity in employment.

Additionally, the MMS county/multi-county human services agency will hold regular (at least biennial) training sessions for the purpose of ensuring that managers and supervisors understand the MMS EEO and AA guidelines and their responsibilities under the guidelines. Further, a review of these guidelines will be included in new employee orientation.

When appropriate, information about the MMS EEO and AA guidelines and the agency's non-discrimination and harassment-prevention policies will be included in internal publications.

b. External dissemination of information

MMS human services agencies must post on their official bulletin board, accessible to all applicants, employees, and the public, a copy of the MMS EEO and AA guidelines, along with the agency's most recent hiring goals, timetables proposed for meeting those goals, and the action steps to be taken to meet them.

The phrase "An Equal Opportunity and Affirmative Action Employer" or similar will be included in all advertisements for MMS county/multi-county human services agency positions. These positions will be advertised in appropriate protected group publications, whether in print or electronically.

An assurance of non-discrimination will be included in all contracts for programs or other activities which receive any federal assistance.

A written expression of the agency's position on equal employment and affirmative action will be included as appropriate in newspaper, magazine, and web-based advertising and/or brochures and like recruitment materials.

2. Audit and Evaluation

The MMS county/multi-county human services agency director or the appointed EEO/AA designee for that county/multi-county agency will determine annually whether or not minorities or females are underrepresented in the job categories utilized in the agency's workforce. This will be done by comparing the availability of minority and female job-candidates in the geographic recruitment area with the number of minorities and females who are actually employed in those job categories in the agency. If there is a disparity (under representation) in any job category for either protected group, the agency is obligated to set hiring goals, determine action steps to be taken to achieve those hiring goals, and set timetables for executing the action steps.

A non-discrimination clause will be included in bargaining unit contracts and in purchasing agreements and contracts whenever possible.

In January of each year, the MMS county/multi-county human services agency director or the appointed EEO and AA designee for that county/multi-county will send to the Minnesota DHS OEPD Equal

Opportunity and Access division a year end summary of the agency's equal employment and affirmative action activities for the previous year. The summary will include an evaluation of the effectiveness of those activities in achieving affirmative action hiring goals and in ensuring a workplace free of unlawful discrimination. The summary will include:

- A. Information about employment discrimination complaint activity, specifying the numbers and types of discrimination complaints and the status of their resolution;
- B. Information about recruitment activities conducted, specifying the sources of recruitment and the protected group community organizations contacted;
- C. The hiring goals set for the year and the action steps towards achieving those goals; and
- D. Information about all staff training and/or information sessions conducted related to affirmative action and equal employment opportunity.

Although hiring goals are not required to be set for individuals with a disability, agencies are required to provide equal employment opportunities to, and encouraged to actively recruit individuals with disabilities.

VI. Appendix

A. Definitions

Americans with Disabilities Act (ADA)

The Americans with Disabilities Act, passed in 1990, gives civil rights protections to individuals with disabilities that are similar to federal protections provided to individuals on the basis of race, color, sex, national origin, age, and religion. The ADA guarantees equal opportunity for individuals with disabilities in employment, state and local government services, public accommodations, telecommunications, and transportation. Title I of the ADA applies to employers. The ADA does not protect individuals who are currently using illegal drugs, and employers may seek reasonable assurance from employees that no illegal drug use is occurring.

Americans with Disabilities Act Amendments Act of 2008 (ADAAA)

The ADAAA became effective on January 1, 2009. It is an act to restore the intent and protections of the Americans with Disabilities Act of 1990. Under the ADAAA the definition of disability is construed broadly.

Affirmative Action

A program of proactive efforts to remedy historical discrimination, in employment, against women, minorities, and in Minnesota state government, individuals with disabilities. This remedial program may involve recruitment efforts targeted at these specific groups when disparities in the workforce have been identified. MMS county/multi-county agencies are not required to set hiring goals for people with disabilities, but the federal Rehabilitation Act of 1973 does require MMS county/multi-county human services agencies to track employment data on disabled employees.

(Affirmative) Action Steps

Those steps which an agency plans to take to address workforce disparities. They could include, but are not limited to, identifying and removing barriers to employment for minorities or females; further educating hiring supervisors and managers about their obligations under affirmative action and equal opportunity law; planning events that will increase awareness of, and knowledge about, other cultural groups in your geographic region; targeting recruitment at under-represented groups, even outside the geographic region.

Harassment has occurred when: 1) submission to that conduct or communication is made a term (explicitly or implicitly) of employment; 2) submission to, or rejection of that conduct, or communication, that is used as a factor in decisions affecting an individual's employment; or, 3) the conduct or communication has the purpose or the effect of substantially interfering with an individual's employment or creating an intimidating, hostile, or offensive employment environment.

This law makes it illegal to discriminate against employees or applicants on the basis of genetic information. Genetic information includes information about an individual's genetic tests or information about the genetic tests of an individual's family member(s), as well as information about any disease, disorder or condition of an individual's family member(s) –i.e., and individual's family medical history.
