Attn: David Stuhr, President
P.O Box 610
Willmar, MN MN 56201

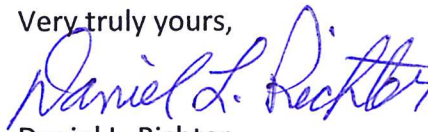

Dear Mr. Stuhr:

Minnesota Valley TV Improvement Corporation ("MVTV") hereby consents to the filing by UHF Television, Inc. with the Federal Communications Commission of an application for a construction permit to change the channel of Station K48AH-D, Facility ID 68709, Willmar, MN, from Channel 48 to Channel 35, provided that operation on Channel 35 does not cause new co-channel interference to more than 2.1% of the population served by MVTV's Station K35KD-D, Facility ID 42999, Granite Falls, MN.

This consent is given based on your commitment to cooperate with us in addressing any complaints we may receive from viewers of actual interference to reception of K35DK-D.

We have no objection to your filing a copy of this letter with the FCC in support of your application.

Very truly yours,

Daniel L. Richter
