

**WGEN-LD Request for STA Operations on Channel 8**

KRCA License LLC (“Licensee”) hereby requests Special Temporary Authority for television translator station WGEN-LD to operate temporarily on Channel 8 using the technical parameters specified in Licensee’s pending displacement application in **LMS File No. 0000053957** submitted for the station during the Special Displacement Window (the “Displacement Application”).

Licensee has received a 120-day notification letter from a 600 MHz band licensee advising that its operations will commence on September 21, 2018 (see 120-day letter attached separately). Accordingly, pursuant to the Commission’s Public Notice in *Incentive Auction Task Force and Media Bureau Set Forth Tools Available to LPTV/Translator Stations Displaced Prior to the Special Displacement Window*, Public Notice, 32 FCC Rcd 4943 (MB 2017), Licensee respectfully requests Special Temporary Authority to operate immediately on Channel 8 with the proposed technical parameters specified in the Displacement Application pending such application’s processing and grant.
