RE: ROWT Channel 26 displacement in Longview, Washington / Mt. Brynion

Nexstar Broadcasting, Inc., the licensee of KOIN(TV), Portland, Oregon, (FID 35380) hereby consents to the interference that operations of Television Translator K41P-D, Rainier, Oregon (FID 130927), as proposed in its Special Displacement Window application proposing operations on Channel 26, may cause KOIN(TV) on its post-auction repack Channel 25.

Sincerely,

A handwritten signature in black ink, appearing to read "Pat Nevin", is written over a horizontal line.
