

Displacement Application Narrative

Applicant respectfully submits the attached displacement application pursuant to the terms set forth in the *Special Displacement Window Public Notice*.¹ The applicant has used the *TVStudy* software to identify an available channel and verify the proposed will not cause harmful interference.

The station is eligible to participate in the Special Displacement Window by qualifying as both “operating” and “displaced” under the FCC’s eligibility criteria² and does not move the stations facility more than 30 miles.

The interference analysis completed utilizing the *TVStudy* software indicates the proposed will cause less than 0.5% interference to Full Power and Class A stations, and less than 2% interference to other Low Power TV (LPTV) stations, therefore, it is grantable.

WDMW is currently on Channel 45 and is out-of-core.
