

KVPA-LD Request for STA Operations on Channel 34

KRCA License LLC ("Licensee") hereby requests Special Temporary Authority for television translator station WKVPA-LD to operate temporarily on Channel 34 using the technical parameters specified in Licensee's pending displacement application in **LMS File No 0000053951** submitted for the station during the Special Displacement Window (the "Displacement Application").

Licensee has received a 120-day notification letter from a 600 MHz band licensee advising that its operations will commence on November 30, 2018 (see 120-day letter attached separately). Accordingly, pursuant to the Commission's Public Notice in *Incentive Auction Task Force and Media Bureau Set Forth Tools Available to LPTV/Translator Stations Displaced Prior to the Special Displacement Window*, Public Notice, 32 FCC Rcd 4943 (MB 2017), Licensee respectfully requests Special Temporary Authority to operate immediately on Channel 34 with the proposed technical parameters specified in the Displacement Application pending such application's processing and grant.
