STATEMENT REGARDING ACCEPTANCE OF RECEIVED INTERFERENCE
IN EXCESS OF 2%

Northeastern Pennsylvania TV Association (NEPTVA), Licensee of a CH 44 digital replacement TV translator facility at Waymart, Pennsylvania for WVIA-TV, Fac. Id 47929, and applicant for a channel displacement facility, application #51857, hereby documents its consent to the receipt of interference as noted below in connection with the instant displacement application. Pursuant to Section 74.703(a) of the FCC's Rules, NEPTVA consents to accept any interference received from other nearby facilities, specifically from WTVH, CH18, Fac. Id 74151, Syracuse, NY, and from WMBC-TV, CH 18, Fac. ID 43952, Newton, NJ¹ caused by the proposed operation of WVIA-TV's Waymart digital replacement translator (currently CH 44) on the channel 18-D displacement facilities as proposed by this application. The proposed operation of this replacement TV translator on channel 18-D does not cause impermissible interference to WTVH, WMBC-TV, or any other facility.

¹ WVIA-LD 18 is calculated to receive 2.21% interference from WTVH, CH 18, Syracuse, NY and 0.8% of WMBC-TV, CH 18, Newton, NJ.
