Request for Special Temporary Authority

Sander Operating Co. III LLC (“Sander”) requests special temporary authority (STA) to operate K46AK-D on the channel proposed in its displacement application, File Number 0000054538.

K46AK-D received a 120-day letter notification from T-Mobile stating that no later than August 17, 2018, K46AK must cease operations or eliminate the potential for harmful interference. The application filed by K46AK in the special displacement window has been accepted for filing. The proposed facility is in compliance with the FCC’s technical and interference rules (see attached engineering documents).

Sander understands that K46AK may be required to terminate its STA operations if the application, File Number 0000054538, is ultimately not granted.
