

**AMENDMENT TO FILE NO. 53712**  
**Minnesota Valley TV Improvement Corporation**

Minnesota Valley TV Improvement Corporation ("MVTV") hereby amends its pending application for displacement of Station K40MC-D, Granite Falls, MN, to Channel 26 (LMS File No. 53712) to report that MVTV agrees to accept interference predicted at the level of 2.25% from the facility proposed by UHF TV, Inc. in its displacement application (LMS File No. 53378) for Channel 26 at Willmar, MN.
