Request for Silent Special Temporary Authority

United Communications Corporation (“UCC”) hereby requests extension of Special Temporary Authority for the suspension of operations for DK38MY-D (the “Station”), St. James, Minnesota (Facility ID 183814). The Station went silent on December 21, 2017, due to loss of tower site. The Lessor of the tower site on which the Station is located and UCC were unable to come to terms to extend the tower lease.
