KMTR Television, LLC  
Reduced Power Notification  
June 2018

On June 12, 2018, KMCB(TV), Coos Bay, Oregon, FAC ID 35183, suffered a power amplifier failure. The station is currently operating at below 80% of authorized power. The licensee ordered, but has not yet received, the necessary replacement parts. As a result, the station will likely operate at reduced power for more than ten consecutive days. Accordingly, the licensee is notifying the FCC of its reduced power operations until the repairs are complete.
