

## Engineering STA Statement

### W43CB-D Ch 03

#### Waiver Request:

The Licensee requests a waiver of the freeze on applications to file for a displacement channel in accordance with DA 14-808, as it has received a 120 day notification letter from T-Mobile. The Licensee intends to operate with an STA on a new frequency until such time that the displacement application is processed.

Applicant has on file a displacement waiver application, File # 0000042705 but finds it necessary to ask for a different channel than originally filed on. Applicant is seeking to change from Ch 08 to Ch 03 due to conflicting applications filed during the window and has filed an amendment reflecting this channel change.

Applicant is filing for an STA on Ch 3 in order to meet the T-Mobile deadline.

Respectfully submitted,
