

Reason for Amendment

WBAL-TV's Fourth Quarter 2017 Children's Television Programming Report was timely filed on January 10, 2018, and it is being amended on June 29, 2018, to include the Digital Core Program "Mystery Hunters," which aired on Sundays during the Quarter at 7:00 am and 7:30 am. This program was inadvertently omitted from the Station's original, timely-filed Report.
