Tulsa, OK

Attn: Bill Lee

To Whom it may concern. This letter is to state that the early move of station KGEB will not impact our ability to deliver tower rigging services to other customers during their planned phase move. GTI America can meet the delivery date that will allow KGEB TV / University Broadcasting, Inc. to transition by September 1, 2018. GTIA had already planned on a June 30<sup>th</sup> antenna installation date since last year so there will be no impact to any of our other customers.
