

Additional Commitment for Waiver Request of Consumer Education Rules (47 C.F.R.
73.3700(c))

In addition to licensee's previously proffered methods of notifying viewers of WJWN's new channel, licensee also proposes to publish a public notice in El Nuevo Dia, the newspaper of record in Puerto Rico. If, for whatever reason, notice cannot be published in El Nuevo Dia, licensee will publish a notice in a different newspaper that serves San Sebastian, Puerto Rico, WJWN's community of license. Licensee proposes to run this public notice from the time this waiver request is granted until the WJWN transition is complete, in addition to the methods of notifying viewers previously proffered.
