Re: Interference acceptance for KZGN amended displacement application

To whom it may concern:

**The Indian Wells Valley TV Booster, Inc. has two pending displacement applications:
K39HT-D – FCC ID# 28575 – Displacement application 54388 seeking channel 27
K45GO-D – FCC ID# 28594 – Displacement application 54376 seeking channel 25**

**Wiknich Broadcasting, Inc. has a pending displacement application:
KZGN-LD – FCC ID# 28574 – Displacement application 54373 (amended).**

Engineering analysis reveals that the proposed KZGN facility is predicted to cause interference in excess of the allowed 2% to both pending Indian Wells Valley TV Booster, Inc. facilities

The Indian Wells Valley TV Booster, Inc. by this letter agrees to accept any and all interference from the proposed KZGN facility as specified in its instant amended application.

Respectfully Submitted,

**Edward Middlemiss, President
Indian Wells Valley TV Booster, Inc.**
