Re: Resumption Notice for WEPT-CD, Facility ID 30429

Dear Hossein:

On January 10, 2018, WEPT-CD, licensed to Venture Technologies Group, LLC ("VTG") went off the air due to technical problems and weather conditions. A request for silent authority was filed on January 22, 2018 (FCC File No. 0000040566).

On August 7, 2018, WEPT-CD resumed operations. However, a resumption notice cannot be filed in the Commission's Licensing and Management System for WEPT-CD because the above-referenced request for silent authority is still pending to date.

Therefore, please accept this letter as the official resumption notice to inform the Commission that WEPT-CD resumed operations on August 7, 2018 pursuant FCC license 0000001567.

Respectfully Submitted,

Christine Meng
