

**KGAN LICENSEE, LLC  
Request for Special Temporary Authority to Operate at  
Less Than Authorized Power  
KGAN (Fac. ID 25685)**

**DESCRIPTION OF CIRCUMSTANCES**

KGAN Licensee, LLC, (“Licensee”) licensee of KGAN (TV), Cedar Rapids, IA, Facility ID No. 25685 (“Station”) hereby provides notice that the Station has been operating at 5% of full authorized power since August 11, 2018, due to transmission line failure.

Licensee has ordered replacement parts and will restore the station to full operations as soon as the parts are received and repairs have been completed.

Grant of the proposed STA will serve the public interest by allowing KGAN (TV) to continue to provide service to the public until such time as full broadcast operations can be restored. Therefore, the Station requests STA to operate at the proposed reduced power parameters. The Station will act accordingly and update the Commission as soon as the Station’s status changes and the transmission line is operational.
