Channel 39 Facility ID 182154 STA Channel Change

September 3, 2018

Hossein Hashemzadeh
RE: STA Channel Change

Dear Mr. Hashemzadeh,

Juab County, the licensee of STA channel 39, facility ID: 182154 serving the residents of Nephi, Mona, and Levan, UT is requesting an STA channel change from channel 39 to channel 22. Channel 22 is coordinated with the Utah State Repack Plan. It will also allow the continued broadcast of this much needed service to the residents of Nephi and surrounding communities with an "in core" channel. (2-36) This channel change will also avoid future problems with expanding wireless companies.

The Juab County Commission hereby requests this channel change for duration of time necessary until Juab County can apply for a permanent license on channel 22.

Respectfully,

Clinton L. Painter, Chairman
Juab County Commission
