Notification of Suspension of Operation and Request for Special Temporary Authority to Remain Silent

The instant submission serves as notice to the Commission that W23DE-D, Lima, Ohio, licensed to American Christian Television Services, Inc. ("ACTS"), will suspend operation of W23DE-D, effective September 1, 2018. The W23DE-D facility has been displaced due to predicted interference to the post-transition operation on Channel 23 by WWHO(TV), Chillicothe, Ohio. In addition, the licensed W23DE-D facility would also be subject to interference received from the WNWO-TV, Toledo, Ohio, Channel 23 post-transition facility.

ACTS currently has a pending displacement application on file (File No. 000051874) to operate on Channel 17. ACTS will remain silent until such time as its displacement is granted and operation has commenced on the new channel.

Accordingly, ACTS hereby respectfully requests Special Temporary Authority for the W23DE-D facility to remain silent for a period of 180 days, or until its pending displacement application is granted and service initiated on the new channel.
