Notice of Suspended Operations and  
Request for Special Temporary Authority to Remain Silent

Iglesia Pentecostal Vispera Del Fin, licensee of low-power television station K20KG-D, Pasco, Washington (Facility ID 181466), hereby notifies the Commission that the station has been silent since August 23, 2018, due to lightning damage to the station's transmitter. Licensee respectfully requests special temporary authority to remain silent pending necessary repairs. Grant of special temporary authority is in the public interest where, as here, the station's temporary suspension of operations is results from circumstances beyond the licensee's control. Licensee will work diligently on repairs, and will file appropriate notice with the Commission following resumption of operations.
