No Objection Letter

Renville County TV Corporation understands that Minnesota Valley TV Improvement Corp (MVTV) is filing to displace K41MF-D to Ch 31. The applicant and ourselves have been part of a coordinated effort to displace channels into the core and have agreed to small amounts of interference in order to make the plan work. As such, Redwood Television Corporation has no objection to predicted interference to our channel K49A-D Ch 31 from K41MF-D Ch 31.

Sincerely,  
Dale Hansen  
President
