Dear Applicant:

We are currently processing the above-referenced displacement application that was filed during the Special Displacement Window which was announced by the Commission on February 9, 2018 (DA-18124). In order to be "displaced" for purposes of filing in the Special Displacement Window, an LPTV/translator station must be subject to displacement by a full power or Class A television station on the repacked television band (channels 2-36) as a result of the incentive auction and repacking process. Our review of this application indicates that this station is not eligible to file displacement application during the Special Displacement Window.

Based on foregoing, your application is HEREBY DISMISSED.

Sincerely,
