

## Character Issues

Neither the Applicant nor any party to this application has or had any interest in, or connection with, any broadcast application where character issues were raised against the Applicant or any party to this application, nor does the Applicant or any party to this application have an interest in, or connection with, any pending broadcast application in which character issues have been raised. The Applicant has accordingly certified "yes" to the application's "Character Issues" question.

The Applicant notes that while certain Cunningham licensee subsidiaries were parties to divestiture applications resulting from a merger proceeding that was itself designated for hearing, the Cunningham applications were not designated for hearing. *See* Hearing Designation Order, *In the Matter of Applications of Tribune Media Company and Sinclair Broadcast Group, Inc.
