

Request for Program Test Authority

KTVQ Communications, LLC (“KTVQ”) hereby requests program test authority (“PTA”) for operations of K14RF-D, Cody, Wyoming, pursuant to the facilities authorized in FCC File Number 0000054758. KTVQ has satisfied the special conditions on the above-reference construction permit by conducting measurement tests for K14RF-D that showed no interference to existing land mobile radio facilities in the 460-470 band. As required, KTVQ is submitting documentation of these test results with this request for PTA.
