

WHSV-TV, Harrisonburg, VA (FID 4688)
Amendment to Legal STA seeking early phase transition

Gray Television Licensee, LLC, licensee of WHSV-TV, filed this amendment to the pending STA to provide a letter from the crew hired to build its tower. This letter confirms that performing this work for WHSV-TV will not impair its ability to assist other stations involved in the repack. Gray has also removed the letters from its transmitter and antenna manufacturers as that equipment is built.
