### Request for STA Extension

ION Media License Company, LLC., licensee of television station WPXN-TV, New York, New York, hereby submits this instant request for extension of special temporary authority ("STA") to continue to operate at reduced power until the installation of the second antenna is complete. Upon completion of the second antenna, which is expected by the end of November, all broadcasters co-located on the tower will be able to resume full power operations. Grant of this request for STA serves the public interest by allowing WPXN-TV to continue to provide service to its viewers during this transition period.
