

KATHREIN

October 20 2018

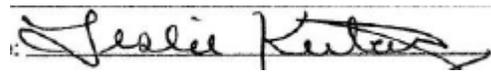

Reference Station KSBO

Mr. Hanson

Kathrein USA understands your need for delivery prior to your April 12, 2019 transition date. We are sending you this letter to confirm that your antenna and components will be completed well in advance of April 12 2019

This letter is to confirm that efforts by Kathrein USA to complete equipment for KSBO's earlier transition will not impair Kathrein USA's ability to supply equipment for other stations to complete their transition during their assigned phases.

Best regards,
