

## **REQUEST FOR SPECIAL TEMPORARY AUTHORITY**

Alejandro Luciano respectfully requests special temporary authority to operate Station W08EJ-D, Añasco, Puerto Rico, at variance from its licensed parameters with the facilities described herein. W08EJ-D need to vacate its present location for major tower repairs. Alejandro Luciano has arranged to operate W08EJ-D from a temporary location at reduced power while the main tower repairs for Station W08EJ-D are completed. W08EJ-D will be operating from a tower located at 18 -18 -45.65N, 67 10 55.88W. (NAD 83), as proposed herein. A grant of the instant request will permit the station to maintain over-the-air service to the public, which would serve the public interest. As such, Alejandro Luciano requests special temporary authority for a six-month period to operate as provided in the instant STA Request.
