Request for Extension of Special Temporary Authority

NRJ TV III CA License Co., LLC ("NRJ"), the licensee of KNLA-CD, Los Angeles, California, hereby respectfully requests an extension of its underlying special temporary authority ("STA"), which was filed on June 28, 2019 and granted on July 11, 2018 (see LMS File No. 0000055493). The current STA is due to expire on January 11, 2019.

NRJ plans to continue operating with an interim antenna on its pre-repack Channel 50 until KNLA-CD's transition to its repack on channel 32 is completed at the end of Phase II on April 12, 2019.

Accordingly, NRJ seeks an extension of KNLA-CD's STA to continue to operate at variance on its interim facility until April 12, 2019.
